# 2023-24 SHEPNAZ BASKETBALL $4^{\text {th }}$ GRADE BOYS, $5^{\text {th }} \boldsymbol{\&} \mathbf{6}^{\text {th }}$ GRADE BOYS AND $5^{\text {th }} \boldsymbol{\&} 6^{\text {th }}$ GIRLS GRADE LEAGUE RULES 

1. Regular OHSAA rules apply except where special league rules take effect.
2. Defense:

- Man-to-Man defense only (approximately within 6 feet)
- The defense may pick up their man up at the $3 / 4$ court line (white line) and not before. This allows the offensive team to have a chance to set-up their offense between the half-court line and the $3 / 4$ court line without being guarded. The ball handler will be encouraged to advance the ball in a timely manner.
- The defense must pick up their man at the three-point line.
- No double-teaming or trapping defenses are permitted. The defensive player will receive a warning for the first violation and then assessed a foul for repeat violations.
- You may full court press during the final two minutes of the last two quarters of the game if your team is leading by 10 points or less or your team is behind. (This is a man-to-man defense only.)

3. The game will consist of six periods lasting six minutes each. The clock will be a running clock for all six periods except the last 10 seconds of each period and the last minute of the fifth and sixth period when the clock will stop for all dead balls. The clock may also be stopped at the referee's discretion.
4. For teams with ten players present, all players must start at least three periods including one period in the last two periods (exceptions are for teams with more than 10 players present). For teams with less than ten players present, no player shall play no more than one additional period than any of their teammates (see chart below). Also, any player may elect to sub out of the middle of a period for injury or fatigue purposes. Any violation of this rule will result in a technical foul, but the violation must be protested during the period in which the infraction takes place. The spirit of this rule is to create balanced playing time for all players.

- The head coach is the only coach allowed to communicate with the officials.
- Assistant coaches must stay seated during the course of play.
- A coaches warning will be assessed for the first violation of any of these "coaches" rules. For subsequent violations, the team will receive a technical foul.
